**Notes**

- The \$600 workshop fee covers workshop registration, room and full board from dinner on Monday night, 16 April through lunch on Thursday, 19 April, and any social events.
- Payment in full must be received no later than Monday, 9 April 2007.
- The workshop fee is \$600 per person if payment is made by check. If you choose to pay by direct bank transfer, the registration fee is \$600 per person, plus a \$50 charge per transfer. (I.e., if several persons can register with a single bank transfer, there is only one \$50 charge.) The \$50 charge is necessitated to offset bank fees associated with direct transfers. If paying through a direct bank transfer, please contact Ben Brosgol for the routing number and other details.
- Cancellation without a workshop-approved substitute participant, if done after Monday, 2 April, will incur a \$180 cancellation fee.
